Dear Mr. McGlocklin:

With this letter, the United States Environmental Protection Agency, Region III ("EPA") hereby notifies you that the effective date of the *de minimis* Administrative Order on Consent ("Consent Order" or "Agreement") between your company and the EPA is September 28, 1999, the date of this letter. Pursuant to Section XIX of the Consent Order, its effective date is the date upon which EPA issues written notice to you indicating that the Assistant Attorney General of the United States Department of Justice has approved the Order and that the public comment period has closed and that comments received, if any, do not require modification of or EPA withdrawal from the Order.

EPA hereby notifies you that it has obtained the approval of the U. S. Department of Justice and that EPA has completed the public comment period and has not received any comments on the Agreement. EPA therefore will not be requiring modification of or withdrawal from the Agreement.

Pursuant to Section VIII, Paragraph (b) of the Consent Order, monies due to EPA may be made in either one or two equal payments. As part of the Agreement you indicated that you would pay the \$62,267.00 due to EPA in one payment[s] in the amount of \$62,267.00 due within thirty (30) days of the effective date of the Agreement. The second payment, if any, is due and payable within one year of the effective date of the Agreement.

Pursuant to Section VIII, Paragraphs (c) and (d) of the Consent Order, payment shall be made by Certified or Cashier's check payable to the "EPA Hazardous Substance Superfund," and each check shall reference the Malvern TCE Superfund Site, EPA Region III, Site Spill ID Number 03-91 and Docket Number III-98-074-DC, and shall be sent to:
